Office of Congressman Rob Wittman Service Academy Congressional Nomination Application Procedure

1. Application Form

Complete, Sign, and Attach a photograph

2. Letters of Recommendation

Ask your high school counselor or principal to provide a letter of recommendation as well as two other letters of recommendation from teachers, coaches, employers, or someone who knows you well. Have the individuals send the letter to you in a sealed envelope with their signature across the seal.

3. Transcript

Ask your counselor or principal to provide you a copy of your school transcript. Make sure the transcript includes your course listings and grades through the end of your junior year, current Grade Point Average and class rank (if provided by your high school) and SAT/ACT scores (if provided by your high school). The official transcript should be returned to you in a sealed envelope with a signature across the seal. If your school will not provide transcripts directly to students, have the school mail the transcripts to the Yorktown District Office with a note reflecting this policy.

4. Standardized Test Results

To have scores forwarded to our office directly from the testing center, please use the following SAT Code: 5740. Many transcripts include standardized test scores and if so, that will be sufficient. You do not need to send separate scores unless you have retested or updated your scores.

5. Essay

On a separate sheet of paper, in approximately 300 words, state why you want to attend a U.S. Service Academy.

6. Deadline

Completed application packets must be received by October 31. No Exceptions.
